BLAZE OF MEMORY had me in tears with the tenderness that Dev and Katya exposed in each other. This story adds immensely to the series. This is a paranormal author who is at the top of her game! BLAZE OF MEMORY will leave an indelible impression for readers. You will want to revisit this love story again and again." ~ Romance Junkies

### Blaze of Memory - Nalini Singh :: NYT bestselling author

Blaze of Memory (Psy-Changeling #7) A woman without a past becomes the pawn of the man who controls her future... Dev Santos discovers her unconscious and battered, with no memory of who she is. All she knows is that she's dangerous. Charged with protecting his people's most vulnerable secrets, Dev is duty-bound to eliminate all threats.

### Blaze of Memory (Psy-Changeling #7) read online free by ...

In Blaze of Memory, the story moves along at a constant walking pace. I found that my suspense built higher and higher as I continued to read further into the book. So I was a bit taken aback when the suspense seemed to fizzle as the ending neared.

I got Blaze of Memory on my Kindle the second it came out, and stayed up all night finishing it (work tomorrow will be hard with no sleep!). This is a great addition to the Psy-Changeling series - worth the wait. Katya and Dev's story is both fulfilling and heartbreaking. It had me in tears.

### Blaze of Memory book by Nalini Singh

Blaze of Memory is a little different to the earlier books because we have two Psy main characters. To be honest I wasn't sure if I'd enjoy it as much because of that since the Psy characters can often take longer to warm up to than the Changelings & humans but as usual Nalini proved me wrong and had me hooked very early on.

About Blaze of Memory. From the New York Times bestselling author of Shards of Hope, Shield of Winter, and Heart of Obsidian, who creates a "breathtaking blend of passion, adventure, and the paranormal"... A woman without a past becomes the pawn of a man who controls her future...

### Blaze of Memory by Nalini Singh: 9780425231111 ...

What made the experience of listening to Blaze of Memory the most enjoyable? I appreciated that this story wasn't focused on a changeling, but a psy and a forgotten (aka psy-human hybrid). It's a testament to her stronger writing points that Ms Singh was able to transition away from the changeling world into the other aspects of this alternate universe she has created.
