Boy Racer

Boy racer is a term given to a young person who drives in a fast and aggressive manner; it has become a broader term (often pejorative) for participants in modern custom car culture who tune and modify cars with street racing-style aftermarket cosmetic and performance parts such as body kits, audio systems and exhausts. The culture encompasses a broad range of car types including sport compacts ...

BOY RACER by Mark Cavendish was written in 2009 after his initial success in the 2008 Tour De France. While I acknowledged Cavendish's ability to win racers, the race coverage and his interviews had left me with a dislike of his arrogant attitude. Also his easy-looking sprint wins often took the joy out of watching close competitive races.
