Brandon Lattu

Though Brandon Lattu's body of work is wide-ranging and deliberately unclassifiable— it includes sculptures, works on paper, and projections—it is unified by his use of digital and analog photographs and his ongoing exploration of how they structure our knowledge of the world. Lattu draws from ...

Brandon Lattu - Announcements - e-flux

Brandon Lattu is an artist whose work utilizes photography, sculpture, and video to investigate the constantly changing state of representation in order to push beyond the conventional empiricism that pictures of the world have traditionally invoked. His work particularly addresses the social structures emphasized and enforced by models of perspective and abstraction as well as spatial ...

Brandon Lattu is a conceptualist who uses photography, sculpture, and digitally based imagery, Lattu has carefully labored over the most intricate details of his images to produce works that seduce with a deceptively simple and elegant beauty. At the same time these images resonate on an equally powerful sentient level.

Bio - Brandon Lattu

Featured artist Brandon Lattu, whose "Seven Projections" (2010) is featured here, writes, "For too long, photography has relied on a failed mimicry of human vision. The chosen direction and bounded rectangle can, like other aspects of representation, be used as political tools that fulfill the desires of some while controlling others and surveying all.

Photography is Magic: Brandon Lattu, Seven Projections

This exquisite artist's-book-as-exhibition-catalogue was produced to accompany rising Los Angeles conceptualist Brandon Lattu's first European survey, at Kunstverein Bielefeld, Germany. Rather than show standard thematic groups of work, Lattu here presents individual images of books from his library--to scale, scanned and reconstructed without pages--that were originally created for a work in ...
