The report's findings support a strong case for advocating the involvement of all tiers of government in the pursuit of local and regional economic development. "The local government sector has an important role to play in promoting economic development, but one that evades a singular model.

Local government and economic development - Government News

Local economic development must aim to create jobs by making the local economy grow. This means that more businesses and factories should be started in the municipal area. As part of the IDP, key stakeholders in a municipality must come together to reach agreement and take decisions to make the economy grow and create income opportunities for more people, especially the poor.
