The rock climbing at Costa Blanca is very extensive and varied but more important it is the quality of the routes that is fantastic. Good quality bolted limestone across a wide range of grades. The rock climbing varies from short single pitch road side crags through to long multi-pitch routes in the mountains.

### **Costa Blanca Rock Climbing and Sport Climbing in Spain**

Our Spring Spanish climbing holidays focus on Costa Blanca Climbing, as here there is a wide variety of activities including the Costa Blanca Ridges, roadside sport climbing, sea cliff climbing, canyoning and trail running.. As Spain has the perfect mix of good weather and copious amounts of rock, it's no wonder some of the world's best rock climbers call the country their home.

### **Costa Blanca Climbing - Ridge & Sport Climb | Synergy Guides**

The most popular style of climbing that visitors to the Costa Blanca come for is pure sport climbing and these crags don't disappoint. Added to the sport climbing on the more conventional crags are some big multi pitch sport climbs along with a whole host of big trad climbs that many include in the holiday itinerary although a whole series of visits could be made climbing on the mountain traditional lines alone.
