Landscape in Sight: Looking at America / Edition 1 by John ...

J.B. Jackson's LANDSCAPE IN SIGHT: LOOKING AT AMERICA is a collection of the author's articles about American cultural landscapes. These far-ranging topical essays were written over nearly half a century and compiled by an admiring scholar Helen Lefkowitz Horowitz in 1997 within a year of Jackson's death.

Landscape in Sight: Looking at America by J.B. Jackson

Landscape in Sight. Book Description: During a long and distinguished career, John Brinckerhoff Jackson (1909-1996) brought about a new understanding and appreciation of the American landscape. Hailed in 1995 by New York Times architectural critic Herbert Muschamp as "America's greatest living writer on the forces that have shaped the land this nation occupies," Jackson founded Landscape Magazine in 1951, taught at Harvard University and the University of California at Berkeley, and wrote ...

"Landscape in Sight is not the first book to gather Jackson's insightful sketches of the American scene, but it is the best. Working in consultation with Jackson prior to his death in 1996, the editor has chosen more than three dozen pieces, mostly from Landscape , and has arranged them in several useful sections."—Wayne Franklin, Annals of Iowa

A lookout is one of the most exciting areas in a landscape. Elevated locations such as the top of a slope, a rock or a bridge, can serve as a 'prospect' where we can stop and enjoy a view. It seems to be a universal urge to climb a hill and look out from a high point upon the scene below.

Landscape Design Tips | Garden Design

A vegetable or flower garden is a common yard staple, especially if you add an interesting element like a pergola, arbor, walkway or fence. If you're looking for lively landscape decorating ideas, consider adding fun accessories like birdbaths and feeders.
