Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

Another manner of showing respect is through valuing minority families' traditions and culture by incorporating their traditions and culture in all aspects of the program, school, or classroom. This means going beyond displaying pictures or artifacts, but also seeing different cultures as adding value to those in the program, school, and classroom.
