The Secret History. On March 4 2011, the French historian Reynald Secher discovered documents in the National Archives in Paris confirming what he had known since the early 1980s: there had been a genocide during the French Revolution. 1 Historians have always been aware of widespread resistance to the Revolution. But (with a few exceptions) they invariably characterize the rebellion in the ...

### The French Genocide That Has Been Air-Brushed From History

Catholic History in Maryland European (especially English) colonies were started for a variety of reasons; these reasons can usually be lumped into either religious and economic pots. While adherents of a variety of Protestant and Reformed religions (as well as non-Christian religions) came to the colonies, so did Catholics.
