Jung's Spiritual Awakening Although the clinical approach that C. Gustav Jung worked with was based on a very theoretical psychiatry, it was always clear to him that he didn't want to stay within that limited vision of human knowledge.

Jung's Spiritual Awakening - Exploring your mind

Jung's work on himself and his patients convinced him that life has a spiritual purpose beyond material goals. Our main task, he believed, is to discover and fulfill our deep innate potential. Based on his study of Christianity, Hinduism, Buddhism, Gnosticism, Taoism, and other traditions, Jung believed that this journey of transformation, which he called individuation, is at the mystical heart of all religions.
